

Cornbelt® Trophy Gold®

Low Use Rate Replacement for Oil Adjuvants and Surfactants

Cornbelt® Trophy Gold® is a unique surfactant which improves the deposition and penetration of active ingredients into the target plant while improving rainfastness and wash-off resistance.

Cornbelt® Trophy Gold® is designed for use with herbicides, fungicides, insecticides, defoliant, desiccants, plant growth regulators, and any other crop protection product where an oil concentrate or a nonionic surfactant is required or recommended.

Application Directions

Ground Application for pesticides where an oil concentrate is recommended:

1 quart per 100 gallons of spray solution.

Air Application for pesticides where an oil concentrate is recommended:

6 ounces per acre. Refer to pesticide label for minimum water volume per acre.

Aquatic Application for pesticides where an oil concentrate or a surfactant is recommended:
2-4 pints per 100 gallons of spray solution.

Package Size

Cornbelt® Trophy Gold® is available in 2x2.5 gal containers.

Principal Functioning Agents

Fatty acid complex alkoxyolate, free fatty acids, and Alkylarylalkoxyolate	95%
INERT INGREDIENTS:	5%
TOTAL	100%

Always read and follow label directions.
